

**Disclosure Statement for Joshua Linn**

Date: January 10, 2014

I acknowledge support for this research from my employer, Resources for the Future.

In the past three years, I have received other funding that contributed to the development of these ideas and the model we used. This funding also came through Resources for the Future. This funding came from the Bechtel Foundation, and funding for related projects from the U.S. Department of Energy through the National Renewable Energy Laboratories, and the U.S. Environmental Protection Agency.

Through Resources for the Future, in the past three years I have also received funding for research that was unrelated to the submitted article. This funding has come from the Heising-Simons Foundation, the Swedish Energy Agency via the University of Gothenburg, the California Air Resources Board, and Cornell University.

IRB approval was not obtained or sought for this project. There was no human subject research.
