

Disclosure Statement for the re-submitted article

AER-2011-0888: Micro-loans, Insecticide-Treated Bednets and Malaria: Evidence from a Randomized Controlled Trial in Orissa (India)

The research described in the re-submitted manuscript has received financial support from the following sources:

Center for Micro Finance (Chennai, India),

Stanford Presidential Fund for Innovation in International Studies,

Stanford Center for International Development,

Stanford OTL Research Incentive Fund,

RAND Corporation,

Duke Arts & Sciences Committee on Faculty Research for financial support,

National Institute of Allergy and Infectious Diseases (Award Number R03AI078119),

Marie Curie International Incoming Fellowship FP7-PEOPLE-2011-IXF, Proposal ID 298904

I have not received any financial support in the form of consultant fees, retainers, grants and the like from any interested party, where an “interested” party is any individual, group, or organization that has a financial, ideological, or political stake related to the article.

I do not hold and have not held any paid or unpaid positions as officer, director, or board member of relevant non---profit organizations or profit---making entities. A “relevant” organization is one whose policy positions, goals, or financial interests relate to the article.

The above disclosures also apply to any close relative or partner of mine.

No other party had the right to review the paper prior to its circulation.

A handwritten signature in black ink, appearing to read 'Brian Blackburn', with a stylized, cursive script.
