**Disclosure Statement for MS AER 2012-0506 “E-Lectons: Voting Behavior and the Internet”**

I declare that I have no relevant or material financial interests that relate to the research described in this paper.

From January 2009 to February 2013 I was principal investigator on three research projects sponsored by Deutsche Telekom AG. Deutsche Telekom AG provided data for the research in this paper but did not sponsor this specific research.

IVW (*Informationsgemeinschaft zur Feststellung der Verbreitung von Werbeträgern e.V.*) provided data on newspaper circulation to the Ifo Institute for research purposes but did not financially sponsor the research in this paper.
