

Josh Lerner:

In compliance with the requirement of the Journal's disclosure policy, I provide the following information. The World Economic Forum, Kauffman Foundation, Harvard Business School's Division of Research, Initiative on Global Markets at the University of Chicago Booth School of Business, and the US Census Bureau provided generous financial support for this research.

In addition, I have received financial support for my research in the form of grants from the following organizations over the last three years: the Computers and Communication Industry Association, the MacArthur Foundation, the National Science Foundation, and the Toulouse Network on Information Technology. The other grant support is not directly related to the research reported here.

I have advised institutional investors in private equity funds, private equity groups, and governments designing policies relevant to private equity.
