“The Effects of Poor Neonatal Health on Children’s Cognitive Development”

Krzysztof Karbownik

This research was funded with support from the U.S. Department of Education and the Bill and Melinda Gates Foundation through the National Center for the Analysis of Longitudinal Data in Education Research, but only Figlio and Roth received funding for this study. I received a Hedelius Scholarship from Sweden to study at Northwestern University with Figlio and Guryan. I have not received financial support from parties interested in this study. I do not hold positions in organizations relevant to this study. No parties had the right to review this paper prior to its circulation.
