

Christina Paxson Disclosure Statement January 5, 2013

Session Title: HIV and Behavior Change

Paper Title: HIV Risk and Adolescent Behaviors in Africa

Authors: Anne Case and Christina Paxson

IRB Approval:

This research was conducted when Paxson was an employee of Princeton University. Research for this paper was exempt from IRB approval at Princeton University. Princeton's "Exempt Questionnaire B, Exempt Category 4: Existing Data: Records Review, Pathological Specimens," reads:

Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens may be exempt if they are being:

- *obtained from publicly available sources or*
- *if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.*

Our research met both of these sufficient exemption criteria.

Financial Support:

Financial support for this research was provided by the Demography of Aging Center at Princeton University, funded under the National Institute of Aging Grant P30 AG024361.

Conflict of Interests:

I have no conflicts of interest associated with the research underlying this paper, or with the paper's findings or write-up.
