Disclosure statement by Taryn Dinkelman

1. I have not received support from interested parties.

Data collection for this paper was partially from a grant from the UK Department for International Development (DFID) and the Institute for the Study of Labor (IZA) for the benefit of developing countries (GA-C2-RA4-181).

2. I do not hold positions in relevant organizations or entities.
3. I have no relatives or partners connected to relevant organizations or entities.
4. No one else has a right to review this manuscript.

IRB approval

Since the project involves quantitative data from secondary data sources (Census, surveys) and from publicly available administrative data, it did not require human subjects' approval from our relevant institutions' IRB committees.
