

Author Disclosure Statements

Paper title: "Carbon Trading Pilot Programs in China and Local Air Quality"

Author: Douglas Almond

(i) I received financial support for this paper from National Science Foundation through Award SES-1658888: "Collaborative Research: Market Based Emissions Policies" in China.

(ii) As there are no human subjects issues, we did not seek IRB approval for this paper.

(iii) I have no potential conflicts of interest to disclose that relate to paper.

Douglas V. Almond

A handwritten signature in purple ink, appearing to read 'D. Almond', with a long horizontal stroke extending to the right.
