January 25, 2022

To whom it may concern,

I have no direct relevant material or financial interest that relate to the research described in the paper "Identifying Algorithmic Pricing Technology Adoption in Retail Gasoline Markets." At the Toulouse School of Economics, my research was supported by ANR under grant ANR-17-EUR-0010 (Investissements d'Avenir program) and by the Artificial and Natural Intelligence Toulouse Institute (ANITI).

Sincerely,

Daniel Ershov
Assistant Professor of Economics
Toulouse School of Economics
