

“Opposing firm-level responses to the China shock: Output competition versus input supply”

American Economic Journal: Economic Policy

Disclosure statement

Paris,

January 24th, 2023,

I acknowledge support by a public grant overseen by the French National Research Agency (ANR) as part of the “Investissements d’Avenir” program (reference: ANR-10-EQPX-17 – Centre d’accès sécurisé aux données -- CASD), and has received funding from the European Research Council (ERC) under the European Union's Horizon 2020 research and innovation programme (grant agreement No 786587). I acknowledge the support of the EUR grant ANR-17-EURE-0001.

I declare that I have no conflict of interest.

Thomas Zuber
