

Increase your earning potential.
Teach in business.

If you have a Ph.D. and demonstrated research potential, new opportunities await you. In response to business school doctoral faculty shortages, AACSB-endorsed Post-Doctoral Bridge to Business programs qualify nonbusiness doctorates for high-paying, tenure track positions at business schools. Visit online to find the program that's best for you.

Information available at booth #514.

Among new assistant professors, those in business had the highest salary. — *The Chronicle of Higher Education*, March 14, 2008

2007-2008 National Faculty Salary Survey by Discipline and Rank at 4-Year Colleges and Universities. ©2008 by the College and University Professional Association for Human Resources (CUPA-HR). The figures cover full-time faculty members on 9- and 10-month contracts.
