

## **Hale Utar "When the Floodgates Open: ``Northern" Firms' Response to Removal of Trade Quotas on Chinese Goods"**

### **Disclosure Statement:**

The author declares that she was granted access to the Statistics Denmark data-sets from Statistics Denmark through the Center for Labor Market Dynamics and Growth (LMDG) and School of Economics and Business at Aarhus University, Denmark. LMDG is a Dale T Mortensen Visiting Niels Bohr professorship project sponsored by Danish National Research Foundation.

The data agreement with Statistics Denmark involves a request for review of the findings prior to their publication.

The author declares that she received a financial grant in the amount of \$3000 from the Colorado European Union Center of Excellence at the University of Colorado, Boulder to cover travel expenses to Denmark.

The author declares that she did not receive any financial support summing to at least \$10,000 in the past three years, in the form of consultant fees, retainers, grants, and the like.
