Dear AEA,

I have no relevant or material financial interests that relate to the research described in  
“How Much of South Korea's Growth Miracle Can be Explained by Trade Policy?”  
AEJMacro-2012-0197.R2.

Sincerely,

A handwritten signature in black ink that reads "Michelle P. Connolly". The signature is written in a cursive style with a large, looping 'M' and a long, sweeping tail.
