Disclosure Statement

To the American Economic Association

I certify that I have no conflicts of interest to declare for this paper, AER 2009-0634 "Consumption and Labor Supply with Partial Insurance: An Analytical Framework", co-authored with Kjetil Storesletten and Giovanni L. Violante.

While working on this paper I have been an employee of the Federal Reserve Bank of Minneapolis (Senior Economist). At an early stage of the project, my research was supported by a grant from the National Science Foundation (SES 0418029, co-principal investigator Giovanni L. Violante). The research undertaken in this paper is fully independent from these organizations, which do not have any stake in the results.

Yours sincerely

Jonathan Heathcote
