

## Disclosure statement – Laure de Preux

The interviews were funded through grants from the European Climate Foundation and the Economic and Social Research Council. The Centre for Economic Performance and the Grantham Institute on Climate Change at the London School of Economics provided generous logistical support.

The interviews dataset is our own property. Orbis is a commercial dataset used through a license held by the London School of Economics library. The CITL data is publicly available data.

None of these interested parties have requested to review the results of the study prior to their dissemination.

A handwritten signature in blue ink, appearing to read 'L. de Preux', is positioned below the text.
