

Disclosure statement of Kyle Jurado  
Measuring Uncertainty by Kyle Jurado, Sydney Ludvigson and Serena Ng

My research is supported by NSF under grant DGE 07-07425 for Phd students. I did not receive other financial support. I am a student at Columbia Univesity and did not hold other paid or unpaid positions in any non-profit or profit organizations. Relatives of mine are not on the board of any profit or non-profit organizations. No other party has the right to my paper.
