Disclosure Statement January 12, 2015

The author, Zhuan Pei, declares that he has no relevant or material financial interests that relate to the research described in the paper, "The Effect of Unemployment Benefits on the Duration of Unemployment Insurance Receipt: New Evidence from a Regression Kink Design in Missouri, 2003-2013".

We did not seek IRB approval for this project since the underlying data are existing data that were given to us in a manner that would not allow us to identify individuals.

Zhuan Pei

Assistant Professor
Brandeis University
