To Whom It May Concern

The current paper has benefited from the research support of NSF grant 0719405.

From 2010 to 2013, I received financial support from FEDEA (www.fedea.es), a Spanish foundation interested on the analysis of economic policy and applied economics in Spain. FEDEA is a non-partisan, independent foundation without any political or ideological position.

As far I am aware, there is no other material fact that I need to disclosure under your policy.

Please, let me know if you need further information,

Yours
