Re: *AER Submission*: "The Market Impacts of Pharmaceutical Product Patents in Developing Countries: Evidence from India"

To whom it may concern:

Below are disclosure notifications for the paper referenced above which has been submitted for possible publication in the *American Economic Review*. These answers below respond to the five specific numbered questions contained in the American Economic Association disclosure document that can be found here,

[http://www.aeaweb.org/aea\\_journals/AEA\\_Disclosure\\_Policy.pdf](http://www.aeaweb.org/aea_journals/AEA_Disclosure_Policy.pdf).

1. I did not receive any financial support for my work on the paper referenced above.
2. I have not received any financial support in the past three years from a party that would have a financial, ideological, or political stake in the paper referenced above.
3. I am not an officer, director, or board member in a profit or non-profit organization that has a relevant relationship to the contents of the article referenced above.
4. None of my close relatives have received any financial support for my work on the paper referenced above. None of my close relatives have received any financial support in the past three years from a party that would have a financial, ideological, or political stake in the paper referenced above. None of my close relatives are an officer, director, or board member in a profit or non-profit organization that has a relevant relationship to the contents of the article referenced above.
5. The only part that has had the right to review the contents of the paper prior to circulation is our data provider IMS. This was only to ascertain that their data had been properly cited. This is a standard feature of the IMS data contract used by many authors.

Sincerely,

Craig Garthwaite
