Re: AER Submission: "The Market Impacts of Pharmaceutical Product Patents in Developing Countries: Evidence from India"

To whom it may concern:

Below are disclosure notifications for the paper referenced above, which my co-authors and I are submitting for consideration to the *American Economic Review*. These answers below respond to the five specific numbered questions contained in the AEA disclosure document that is available at the following website:

https://www.aeaweb.org/aea_journals/AEA_Disclosure_Policy.pdf

1. I did not receive any financial support for my work on the paper referenced above.
2. I have not received any financial support in the past three years from a party that would have a financial, ideological, or political stake in the paper referenced above.
3. I am not an officer, director, or board member in a profit or non-profit organization that has a relevant relationship to the contents of the article referenced above.
4. None of my close relatives have received any financial support for my work on the paper referenced above. None of my close relatives have received any financial support in the past three years from a party that would have a financial, ideological, or political stake in the paper referenced above. None of my close relatives are an officer, director, or board member in a profit or non-profit organization that has a relevant relationship to the contents of the article referenced above.
5. The only party that had the right to review the contents of the paper prior to circulation was our data provider IMS. This was to ensure that their data was properly cited and is a standard feature of the IMS data contract used by many authors.

Sincerely,

Aparajita Goyal
