

Patent Remedies

Carl Shapiro

Disclosure Statement

No party other than the University of California at Berkeley provided financial support for this paper. No party had the right to review this paper prior to its circulation. The author has consulted for a number of companies that own patents and are involved in patent litigation as plaintiffs and/or defendants. Some of these companies may have financial stakes in issues related to those addressed in this article. The author also has consulted for the U.S. Department of Justice and the Federal Trade Commission. These agencies have made policy statements and undertaken antitrust enforcement actions related to patent remedies.
