

## Disclosure Statement

Christina Jones

I declare that I have no relevant or material financial interests that relate to the research described in this paper. This paper has not undergone the review accorded Census Bureau publications and no endorsement should be inferred. Any opinions and conclusions expressed are those of the author(s) and do not necessarily represent the views of the U.S. Census Bureau. All results have been reviewed by U.S. Census Bureau personnel to ensure that no confidential information is disclosed.

Research using Census data is not considered to involve human subjects because subjects cannot be identified, directly or through identifiers linked to the subjects. Weinberg's work was covered by an IRB approval at the Ohio State University.
