

I declare that I have no relevant or material financial interests that relate to the research described in the article titled: Walk on the Wild Side: Temporarily Unstable Paths and Multiplicative Sunspots, by Ascari, Bonomolo and Lopes.

.

A handwritten signature in black ink, reading "Guido Ascari". The script is fluid and cursive, with the first name "Guido" written in a larger, more prominent hand than the last name "Ascari".

Guido Ascari
