

Disclosure statement of Juan Pantano for:

“Healthcare Access, Cost and Treatment Dynamics: Evidence from *In Vitro* Fertilization”

by Barton Hamilton, Emily Jungheim, Brian McManus, and Juan Pantano

I hereby declare that I received no outside funding to pursue this research, and I have no material or financial interests related to the research described in this paper.

The data for this study were obtained with IRB approval through the Washington University School of Medicine in St. Louis.

A handwritten signature in blue ink, appearing to read 'Pantano', with a large, stylized initial 'P' and a long horizontal stroke extending to the right.

Juan Pantano
