

Disclosure statement of Emily Jungheim for:

“Healthcare Access, Costs, and Treatment Dynamics: Evidence from *In Vitro* Fertilization”

by Barton Hamilton, Emily Jungheim, Brian McManus, and Juan Pantano

I practice medicine and perform IVF treatments at the clinic studied in this paper. I received no outside funding to pursue this research, and I have no direct material or financial interests related to the research described in this paper.

The data for this study were obtained with IRB approval through the Washington University School of Medicine in St. Louis.

Emily Jungheim
