

**“The Consumption Effects of the 2007-2008 Financial Crisis: Evidence from Households in Denmark”**

25 MAY 2017

**Thais Lærkholm Jensen**

I have no relevant or material financial interests that relate to the research described in this paper.

The research project has received financial support (around \$40,000) from the Danish Economic Policy Research Network, a network counting several government agencies as well as the Danish Central Bank.

The government agencies as well as the Central bank could be considered “interested parties” by having “political stakes” related to the article.

IRB approval: N/A

Yours sincerely,

Thais Jensen
