

Disclosure statement

Title: Comparing UK tax returns of foreign multinationals to matched domestic firms.
Author: Katarzyna Anna Bilicka

The author declares that she has no relevant or material financial interests that relate to the research described in this paper.

The data used in this project is a confidential universe of corporate tax returns from HMRC which is Crown Copyright. The data provider requests to review the research findings prior to their publication to ensure that confidential information has not been disclosed.

The financial support from the Peter G. Peterson Foundation for a postdoctoral fellowship on long-term fiscal policy at NBER is gratefully acknowledged. Part of this research has been conducted while the author was a postdoctoral fellow at the NBER.

A handwritten signature in black ink, reading "Katarzyna Bilicka". The script is cursive and fluid, with the first name and last name clearly distinguishable.
