Disclosure Statement

To Whom It May Concern:

I am a coauthor of the manuscript entitled “Bargaining over Babies: Theory, Evidence, and Policy Implications” which is accepted for publication in the American Economic Review.

This is my disclosure statement that I, as author of this paper, have no relevant or material financial interests that relate to the research described in this paper.

I received an NSF Grant (SES – 1260961) with funding period between April 2013 and March 2017.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthias Doepke', with a stylized flourish at the end.

Matthias Doepke
Professor of Economics
