**AER Insights Disclosure Statement for Liang Bai for
“Estimating US Consumer Gains from Chinese Imports”**

1. The research described in the submitted manuscript has benefited from financial support from the Social Sciences and Humanities Research Council (CAD\$33,280).
2. There are no interested parties from whom I have received significant financial support, summing to at least \$10,000 in the past three years, in the form of consultant fees, retainers, grants and the like. This also includes in-kind support, such as providing access to data.
3. I do not hold any paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities.
4. Points 2 and 3 above also apply to my partner and close relatives.
5. As part of our data usage agreement with the Kilts Center, we had to share the manuscript with them. However, no changes were made as a result.

Liang Bai
Lecturer of Economics
University of Edinburgh
