

## **American Economic Journals Disclosure Statement**

Date: January 31, 2019

Author Name: Julius J. Andersson

Manuscript Title: Carbon Taxes and CO<sub>2</sub> Emissions: Sweden as a Case Study

Journal: American Economic Journal: Economic Policy

I, Julius J. Andersson, declare that I have no relevant or material financial interests that relate to the research described in this article. Financial support was received from the London School of Economics and Political Science. Non-financial support was received from the Grantham Foundation for the Protection of the Environment and the ESRC Centre for Climate Change Economics and Policy.

Furthermore, no IRB approval was obtained since the research only used secondary data, aggregated at the nation level.
