

American Economic Journals Disclosure Statement

Date: January 3, 2019

Author Name: Michael R. Richards

Manuscript Title: Public Spillovers from Private Insurance Contracting: Physician Responses to Managed Care

Disclosure Statement: This research was not supported or influenced by a specific funding source or interested entity. Only the authors were involved with the work in any way. The author declares that he has no relevant or material financial interests that relate to the research described in this this paper. No protected health information was a part of the study (all encounter data were completely de-identified by the data vendor), so IRB approval was not needed.
