Disclosure statement for “Way Down in the Hole: Adaptation to Long-Term Water Loss in Rural India”.

Financial support was provided by the International Growth Center, and the International Development Research Centre (IDRC) Canada and the Boris Mints Institute.

IRB approval for the human subject portion of the work was obtained from New York University Abu Dhabi, the Institute for Financial Management and Research (IFMR), Chennai, and the Ethics committee at Tel Aviv University.

I declare that I have no relevant or financial interests that relate to the research described in this paper.

A handwritten signature in black ink, appearing to read 'Veena Srinivasan', with a stylized flourish at the end.

Veena Srinivasan
