

American Economic Journals Disclosure Statement
(Please include one for every author of the paper.)

Date: 23 April, 2019

Author Name: Sarah Turner

Manuscript Title: A Passage to America: University Funding and International Students

Disclosure Statement:

Sarah Turner is a University Professor of Economics and Education, and the Souder Family Professor at the University of Virginia. She is also a faculty research associate at the National Bureau of Economic Research. She has received funding from the National Science Foundation and the Bankard Fund for Political Economy. These funding sources do not impact the research described in this paper.

No Institutional Review Board application was submitted for this project as the data is in the public domain and is aggregated to a level at which individuals cannot be identified.
