

## **American Economic Journals Disclosure Statement**

Date: February 20, 2019

Author Name: James H. Stock

Manuscript Title: “Federal Coal Program Reform, the Clean Power Plan, and the Interaction of Upstream and Downstream Climate Policies”

### **Disclosure Statement:**

James Stock received compensation (less than \$10,000) from Vulcan Philanthropy to supervise the use of the IPM model for this research. This supervision included designing the scenarios and working with ICF International to ensure proper execution. Vulcan Philanthropy compensated ICF International for the use of this proprietary model, and Stock received in-kind benefits from being able to use the results of these computer simulations for the research reported in this paper.

Stock has no paid or unpaid positions as officer, director, or board member of relevant non-profit organizations or profit-making entities.

Stock has no close relatives or partners who have any conflicts of interest with this research.

No party had the right to review the paper prior to its publication.
