Re: American Economic Review

Disclosure Statement for “Tax-Exempt Lobbying: Corporate Philanthropy as a Tool for Political Influence”

I, Francesco Trebbi, declare no conflict of interest in the preparation and analysis of “Tax-Exempt Lobbying: Corporate Philanthropy as a Tool for Political Influence”, submitted for possible publication to the American Economic Review.

The research was financed by a Canadian Social Sciences and Humanities Research Council Insight Grant.

Sincerely,

A handwritten signature in black ink, appearing to read 'Francesco Trebbi', written over a horizontal line.

Francesco Trebbi

Professor of Economics

Vancouver School of Economics

University of British Columbia
