Jakub Kastl  
Professor

September 21, 2016

### **Disclosure Statement**

As a coauthor of the paper titled “Crisis Management in Canada: Analyzing Default Risk and Liquidity Demand during Financial Stress,” I, Jakub Kastl, declare that I had no relevant or material financial interests that relate to the research described in the paper during the time the paper was written.

I received support from the NSF (SES-1123314 and SES-1352305) and the Sloan Foundation (Sloan Research Fellowship) while working on this paper.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jakub Kastl', written in a cursive style.
