

## DISCLOSURE STATEMENT

To whom it may concern

October 25, 2019

I, Vincent Anesi, declare that I have no relevant or material financial interests that relate to the research described in the paper “Policy Experimentation in Committees: A Case Against Veto Rights under Redistributive Constraints” co-authored with T. Renee Bowen, which has been submitted to the *American Economic Journal: Microeconomics*. I did not require IRB approval, as the paper presents a theoretical analysis.

Best regards
