To Whom It May Concern,

The author has not received financial support for the research related to the article “Consumer Myopia in Vehicle Purchases: Evidence from a Natural Experiment” from any source.

The author has served as an expert witness and consultant for the California Air Resources Board and has received consultant fees greater than \$10,000 in the past three years. The California Air Resources Board is interested in fuel-economy standards and thus may be considered an “interested party.”

No party had the right to review the paper prior to its circulation.

Sincerely,

A handwritten signature in dark ink, reading "Kenneth Gillingham". The signature is fluid and cursive, with the first name "Kenneth" being more prominent and the last name "Gillingham" following in a similar style.
