

Disclosure Statement – Mingzhi Xu

NBER Fellowship for post-doctoral study is greatly acknowledged. There is no other financial support for the paper “Using the Retail distribution to Impute Expenditure Shares”. There are no interested parties from whom I have received financial support, and I have no position with any relevant organization. Calculations on US indexes are based on data from the Nielsen Company (US), LLC, and marketing databases provided by the Kilts Center for Marketing Data Center at the University of Chicago, Booth School of Business, which has the right to review the paper prior to its circulation.

A handwritten signature in black ink, appearing to be the Chinese characters '徐銘志' (Xú Míngzhì), written in a cursive style.
