To whom it may concern

April 26, 2021

I, Vincent Anesi, declare that I have no relevant or material financial interests that relate to the research described in the paper “Making Elections Work: Accountability with Selection *and* Control” co-authored with Peter Buisseret, which has been conditionally accepted for publication in the *American Economic Journal: Microeconomics*. I did not require IRB approval, as the paper presents a theoretical analysis.

Best regards
