

Paper Title: America's Continuing Struggle with Mental Illnesses: Economic Considerations

Author: Sherry Glied

Financial support of the paper: The Robert Wood Johnson Foundation

Interested Party support: The Commonwealth Fund

Note that I am a Board member of Geisinger (a hospital system) and of NRXPharmaceuticals, a start-up drug company that is seeking to market a psychotropic medication. I do not think this research is of any direct interest to either.

Positions: Senior Fellow, Brookings; Research Associate, NBER; National Academy of Medicine
