**Disclosure Statement:** Imperfect Financial Markets and Investment Inefficiencies (Christian Hellwig)

1. Funding acknowledgement: The research leading to this publication was initiated as part of my European Research Council Grant “Infomacro” (ERC Starting Grant Agreement 263790, 2010-2015). Furthermore, as a regular faculty at Toulouse School of Economics, I am obliged to acknowledge institutional funding support under the French “Investissements d’Avenir” program (grant ANR-17-EURE-0010) for all my publications.
2. Conflicts of interest and financial stakes: I have nothing to disclose in relation to this research.

Christian Hellwig

Professor of Economics  
Toulouse School of Economics
