SUBJECT: DISCLOSURE STATEMENT

I declare that I have no relevant or material financial interests that relate to the research described in the paper, “Reducing Frictions in Healthcare Access: The ActionHealthNYC Experiment for Undocumented Immigrants,” I worked as a graduate student with the Interfaculty Initiative in Health Policy at Harvard University from 2014-2020, as a post-doctoral researcher with the NBER from 2020-2021, and an assistant professor at the University of Notre Dame from 2021-2022. As of July 1, I am employed by Stanford Medical School as an assistant professor in the Department of Health Policy. The submitted work was conducted between 2015 and 2022.

*IRB Approval*

This paper is based on analysis of data sponsored by the Department of Health and Mental Hygiene (DOHMH) in New York City. The data’s use for research has been approved by the Institutional Review Board of the DOHMH and National Bureau of Economic Research.

A handwritten signature in black ink that reads "Adrienne Sabety". The signature is written in a cursive, flowing style.
