“Smaller Slices of a Growing Pie: The Effects of Entry in Platform Markets”

In order to gain access to Yelp’s and YTP’s internal data, I was employed by Yelp as an Economic Research Intern during 2018-2019. Yelp did not condition the ability to publish on the results of the projects nor did it intervene in the paper in any way, expect for excluding business-sensitive information.

IRB approval was not obtained for this project as it uses only existing data.

Sincerely,

Oren Reshef
