Disclosure Statement for Zichen Deng

I hereby declare that I have no relevant or material financial interests that relate to the research described in the paper "Informed Enforcement: Lessons from Pollution Monitoring in China" by Sebastian Axbard and Zichen Deng

This paper did not involve collection of data on human subjects, so the project was considered exempt from IRB.

A handwritten signature in black ink, consisting of stylized, cursive letters that appear to be 'ZD' followed by a flourish.

Zichen Deng
