1. Haynes Lindley Doctoral Dissertation Fellowship (2019) (<https://haynesfoundation.org/grants-awarded/haynes-lindley-doctoral-dissertation-fellowships/>) provided me with \$20,000 to complete my dissertation on homelessness in Los Angeles County.
2. The UCLA Ziman Center for Real Estate's Howard and Irene Levine Program in Housing and Social Responsibility Research Grant (2020) (<https://www.anderson.ucla.edu/about/centers/ucla-ziman-center-for-real-estate/impact-on-our-community/howard-and-irene-levine-program-in-housing-and-social-responsibility>) provided me with \$3,000 to complete this research paper.

Access to data was given through the California Policy Lab (CPL) and it is the property of Los Angeles County Chief Executive Office. These parties have a right to review this research before submission to ensure no confidential data was reported. The data used for the analysis in this paper is confidential and cannot be publicly available. An IRB protocol authorizing my access to the data has been submitted and approved.

I do not have any interested parties or paid/unpaid positions at relevant organizations to disclose.
