

Disclosure Statement for “Local Productivity Spillovers”

Nathaniel Baum-Snow, University of Toronto

I have received funding for this project from the Social Science and Humanities Research Council of Canada (SSHRC).

Statistics Canada has provided in-kind support in the form of access to administrative data, data centre computing facilities, and technical support. While all results are reviewed by Statistics Canada before being released, such reviews are only to maintain confidentiality.

I declare no relevant or material financial interests that relate to the research described in this paper.
