

DISCLOSURE STATEMENT

The Economic Burden of Dementia in India

I, Marco Angrisani, declare that I have no relevant or material financial interests that relate to the research described in this paper. My contributions to this paper have been supported by grants from the National Institute on Aging (R01AG051125 U01AG058499).

Other work of mine has been supported by grants from the National Institute on Aging and the Social Security Administration.

I have nothing else to disclose.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marco Angrisani', with a stylized, cursive script.
