

Disclosure Statement

Paper: Employment Effects of Job Search Assistance for the Long-Term Unemployed
Yves Flückiger

June 2023

- (1) Yves Flückiger received in 2006 funding from the Département de la solidarité et de l'emploi du Canton de Genève to analyze the short-term effects of the Hestia program.
- (2) Le Département de la solidarité et de l'emploi du Canton de Genève financed the short-term evaluation of the Hestia program, but had no say in the results obtained or the evaluation methodology developed independently by the University of Geneva's Observatoire Universitaire de l'Emploi (OUE).
- (3) Nothing to disclose.
- (4) No close relative is involved with an interested party.
- (5) No other party had the right to review the paper.
