

Disclosure Statements for “Regulating Conglomerates: Evidence from an Energy Conservation Program in China”

September 25, 2024

To the Editor:

This paper did not involve the collection of data on human subjects. For this reason, the authors did not seek to obtain Institutional Review Board (IRB) approval.

This project was partly funded by the National Natural Science Foundation of China (72303036) and Ministry of Education in China (22YJC790013). I did not sign any non-disclosure agreements with any of these funding agencies. None of the results of this paper have been reviewed by any funding agency.

Finally, none of the results of this paper have been reviewed by any funding agency or data provider.

Respectfully,
